**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I picked a local company because I want to support the people of my neighborhood. Having competition is good and allows for innovation and people to work. I want more choices in my life and I do not want monopolies to limit my freedom. Lack of competition makes it impossible for me to access the information and knowledge which helps me become the model citizen of the USA.
